Training Objectives

- Web Portal
 - Basic overview and functions
 - Maintaining user, provider and member data
- User access and roles
- Eligibility verification and response
- 837P (Professional) claims
 - Collection of information that creates one
 - How to submit
- Accessing reports

COLORADO

Department of Health Care
Policy & Financing

Web Portal

Advantages

- Convenient, user-friendly and easily accessible
- Available 24 hours/7 days per week
- Quick response to claim entries
- Available anywhere internet can be accessed

Trading Partner

Question:

What is a Trading Partner (TP)?

Answer:

The organization or the provider the TP number is assigned to

COLORADO

Department of Health Care
Policy & Financing

Trading Partner Administrator (TPA)

What is a TPA?

- Information security point of contact between Department and provider's office
- User appointed by organization or provider
- TPA's username assigned by State Security Administrator
 - Username begins with COTP, includes TP number, and ends with an "A"
(COTP123456A)

What does the TPA do?

- Tasks include assigning roles, adding/removing users
- CMAP Web Portal technical TPA should know exact duties of each user they add to the system
- This person should be readily available to users who access the Web Portal weekly

COLORADO

Department of Health Care
Policy & Financing

Billing Agencies / Agents

- Do not have authority to request password resets for Web Portal User Names assigned to Providers
- Issued own Trading Partner ID for purposes of billing on behalf of provider
 - When calling help desk for password resets, be prepared to self-identify as individuals submitting claims on behalf of provider
- Department reserves right to revoke or suspend previously granted user access when security violations or fraudulent activity is suspected

COLORADO

Department of Health Care
Policy & Financing

Web Portal Login Rules

- Only one valid login session can be open at a time
- For security, users are automatically logged-out after 30 minutes of inactivity
- Passwords
 - Are case-sensitive
 - Must be between 8 and 16 characters
 - Must contain at least one alphabetic and one numeric character
 - Cannot be re-used
- For login problems, use “I forgot my password” link on the log-in page or contact the TPA

Enter new or adjusted claim data on this screen

Frequency Type Code always set to original when submitting new claims

CLIA Number for laboratory claims, CLIA Number can now be entered here or on **Detail Line Items** tab

Clinical Laboratory Improvement Amendments (CLIA) Field

- CLIA Number only needs to be entered once if related to all procedure codes for the claim
- For multiple CLIA Numbers for multiple procedure codes, continue entering on Detail Line Items tab for each claim detail line
- New field validation ensures CLIA Number entered using following format: “99D99999999”
- As of July 1, 2011, failure to submit correct CLIA Number with claim will result in claim denial
